

Position: ***Crane Operator/Mechanic***

Location: ***Offshore Assignments***

Industry: ***Energy | Marine Operations | Mechanical Services***

Job Function

*Talon Holdings Ltd. is hiring experienced **Crane Operators/Mechanics** for offshore operations. Applicants must hold a valid Stage Three (3) Crane Operator certification and demonstrate proficiency in safe, efficient crane operation. The role also includes maintenance of mechanical systems and requires strong mechanical skills, safety awareness, and effective teamwork with offshore personnel.*

Principal Duties and Responsibilities

- Safely operate offshore cranes to lift, move, and position heavy materials and equipment.
- Conduct routine inspections, preventive maintenance, and minor repairs on crane and mechanical systems.
- Read and interpret load charts, lifting plans, and technical manuals to ensure accurate and secure lifting operations.
- Coordinate closely with offshore teams to support logistical and operational activities.
- Maintain compliance with all relevant safety procedures, operational guidelines, and regulatory requirements.
- Maintain detailed records of crane operations, maintenance, and inspections.
- Assist with mechanical tasks unrelated to crane operations as needed by the offshore team.

Qualification and Experience

- *Accredited **Stage Three (3) Crane Operator** certification (mandatory).*
- *Proven experience operating cranes in an offshore or marine environment.*
- *Solid understanding of crane mechanics and mechanical systems maintenance.*
- *Ability to read and interpret technical documents, including load charts and equipment schematics.*
- *Offshore safety certifications (e.g., BOSIET, HUET, OGUK medical) are an asset.*
- *Strong communication and coordination skills in team-based environments.*

Application Process

Interested candidates are invited to submit their detailed résumés along with relevant certificates to:

Recruitment@talonhl.com

Kindly ensure all documents are submitted in PDF format.

Please note that only shortlisted candidates will be contacted for further steps in the recruitment process.
